

①

Over baked Clay

- Food Colouring (optional)
- 4 cups of flour.
- 1½ cup of Water.
- 1 cup of Salt.

water

Help from an adult when using the oven.

Salt

Food Colouring (optional)

2

Mix all the ingredients together in a bowl

You could make different colour batches by adding food colouring.

3

Store unbaked clay in a sealed container until you want to use it again.

When you have finished creating your Sculpture.

Bake the finished pieces on some baking paper for an hour at 350°F or 175°C.

Let it cool and glue together if needed, then paint and decorate.
